

# Missionary Prayer Calendar

## March 23-28, 2020

- Mon [Dana & Karen.](#)  
Dana is in NC helping his Mom care for his Dad, Gene, who had heart surgery on 3/11. The surgery went well so pray for a speedy, strong recovery for Gene Ostby. Also ask the Lord to give Dana and his folks some sweet times of fellowship. Meanwhile, Karen is scheduled to be in Ohio caring for her other mother-in-law who had several falls in 2019.
- Tues. [Jim Yost, New Generations, Papua.](#)  
The GBC Missions Team had planned to have Jim here in AG to preach Sunday morning & in several venues during the week. COVID-19 assembly restrictions have made that impossible. There are hopes of organizing an online message from Jim if he has the equipment to make it possible, if not this week, soon. Pray for God's will & timing to be done.
- Wed. [Nicole Kyker, InterVarsity, Cal Poly & Cuesta.](#)  
Last week, collegiate athletes received news that their athletic seasons have been cancelled. The new reality is no practices, no competition. Many feel their purpose has been stripped & they feel hopeless. Pray that leaders will be able to bring health and healing thru Christ to the athletic community.
- Thurs [Chris & Carolin Jackson, Wycliffe, Alat, Cameroon.](#)  
Students who were at the 6 week literacy workshop are home. Pray protection for those who will be ridiculed for attending reading & Scripture classes. Pray students continue to practice new skills, particularly, reading Scripture. Students will need strength to prepare their farms for planting & be blessed with a good harvest.
- Fri. Daily COVID-19 developments have made life on the field a rollercoaster ride. Hungary has closed its borders, affecting every aspect of [Samlands'](#) ministry, especially newly scheduled Family Life small groups in several countries. [Ryan & Heather Newman](#), Thailand, were scheduled to come to the Central Coast this week. [The Petersons](#) in Australia were coordinating a visit to the USA with visa renewal. When will [Dana & Karen](#) be able to get back to the field? Pray for all our GBC family of missionaries to respond with wisdom to the challenges of COVID-19.
- Sat. [Tamara Shibata, YWAM, Pismo Beach](#)  
Pray that Tamara would be able to find a suitable, reasonably priced residence for ministry.
