

GRACE BIBLE CHURCH

GRACE BIBLE FAMILY,

On behalf of our leadership team and our staff I want to encourage you to see how God is moving. We have an amazing team of staff and volunteers that are responding to the needs of our community, hundreds of phone calls and video meetings are happening every week. More than that we have The Holy Spirit interceding for us as we pound the throne of heaven with audacious prayers. I am so proud of you all as we continue as *a movement of people learning to live and love like Jesus* through these uncharted days.

A FEARLESS FAITH

I know these days can feel like we are in a roaring sea tossed about by shifting emotions but take heart we are not adrift. **“We have this hope as an anchor for the soul, firm and secure (Heb 6-19a)”**; we are tethered to the rock and **“nothing will be able to separate us from the love of God that is in Christ Jesus our Lord.” (Romans 8:38-29)**

A NEW WAY TO CELEBRATE EASTER

Today marks the beginning of Holy Week, where people worldwide will ponder and reflect on Jesus’ last week of earthly ministry leading up to His crucifixion and glorious resurrection. This year our reflective Good Friday and Easter services will be held online. While I am disappointed not to be gathering in person we know that God is at work and is making all things new.

As we travel through the grief of the grave and as we feel this worldwide heaviness, I pray *“you to be strengthened with power through His Spirit in your inner being, so that Christ may dwell in your hearts through faith—that you, being rooted and grounded in love, may have strength to comprehend with all the saints what is the breadth and length and height and depth, and to know the love of Christ that surpasses knowledge, that you may be filled with all the fullness of God (Ephesians 3:16-19)*. I pray in this season of disorientation, we will together experience **peace** and **hope** in the truth that Jesus is our Savior, our firm foundation and security. So please join us and let us together make the most of these days.
