

# Missionary Prayer Calendar

## October 19-24, 2020

- Mon. [Jo Shetler, Wycliffe, NC.](#)  
Jo is in the 2nd of 7 weeks of online training of 3 groups in Culture meets Scripture joining via Zoom from 14 countries. Pray for good internet connections every session. Zoom meetings are crucial to give participants opportunities to interact with each other to report on their findings in doing their assignments.
- Tues. [Danny & Christy Aanderud, Novo, Oxford, UK.](#)  
Pray for energy & capacity for Christy who is overwhelmed with the extra responsibilities due to Covid: homeschooling, home care & caring for 3 young children & a puppy. Patrick, 6, is challenging Mom & Dad with serious push-back in spiritual issues. Pray for their wisdom in dealing with these challenges in a loving, helpful way.
- Wed. [Sam & Jill Tabiando, Reach Global EFCA, Madrid.](#)  
Covid caused the cancellation of a 3-day Europe Exponential Church Planting Conference in Berlin. Plan B to develop roundtable meetings in 100 cities was scrapped when increasing government restrictions were put in place. Plan C now goes to 120 Zoom meetings, one of which Sam is to host. Sam's laptop has become sluggish. Pray there are no technical glitches or delays that would discourage a spirit of learning.
- Thurs. [Dori & Sabina Halili, CRU, Albania.](#)  
The number of people infected with Covid is growing in their area. Face masks are obligatory everywhere except the home! Pray for them to have God's protection, direction, & leading for a good combination of doing ministry in the field & online.
- Fri. [Ron & Dorie Smith, Global Sharing \(GS\), Atascadero.](#)  
Pray for the people of the Kolkata Slums. Many villagers are still struggling with damaged homes due to cyclone Amphan months ago. Also pray for those who live in the forest area of the slum to have protection from wild animals. The villagers need to establish a fresh water well & find a safe meeting place for the church.
- Sat. [Matt & Becky Kooi, Spectrum, Tijuana, Mexico.](#)  
The Spectrum Team continues minister to in a variety of ways but the greatest challenge is sharing the Gospel. They hand out Spanish copies of "The Daily Bread" & encourage folks to watch Spanish Church services. Pray for them to meet the greatest need, that of sharing the glorious eternal Gospel.
