INCLEMENT WEATHER GATHERING MEMO

GRACE BIBLE FAMILY,

I hope this letter finds you well, safe, and trusting that as we read through the Bible together, it has given you a renewed desire for the scriptures. As we continue to allow the text to change our hearts and minds to live and love like Jesus, I wanted to give you a quick update regarding weekend gatherings during inclement weather.

As always, we love seeing you, whether it be online or in-person outside in the parking lot! If inclement weather arrives on a Sunday, we are planning to offer an option for gathering indoors on campus along with our livestream services.

WAYS TO GATHER

We will have two identical services at 8:30 and 10:30. Consider coming to the 8:30 service so we can spread attendance out as equally as possible. We will do two live services in the worship center limiting the number of people to allow for appropriate social distancing. Venues across our campus with the livestream on the screens will be available to accommodate all who wish to attend: Student Center, Community Room, and the Worship Center Lobby.

If you have any concerns about being on campus or simply can't attend, we want you to know that we will livestream both services at www.gracebibleag.com/live. Our online ministry team led by Betsy Newell will be with you to assist, answer questions, pray and serve you anyway that we can.

We are including in this letter some information that provides you additional details about safe gatherings and locations on our campus where you can attend a worship service. Please spread the word to your family and friends and we look forward to worshipping with you on Sunday. If you have any questions please feel free to write to us at hello@gracebibleag.com.

Learning to Live and Love Like Jesus,
