

GRACE BIBLE FAMILY,

I hope this letter finds you well, safe and trusting that our God, as Martin Luther carefully penned, is a mighty fortress, a bulwark never failing. I find comfort and strength from a line in the second verse:

Did we in our own strength confide, our striving would be losing; We're not the right Man on our side, The Man of God's own choosing. Dost ask who that may be? Christ Jesus it is He. Amen!!

We are looking forward to seeing you all this Sunday, November 8th. We have been tracking the weather and have learned that there is a high likelihood of inclement weather this Sunday morning. We are writing to inform you that we are moving indoors this Sunday and will do our best to follow county guidelines for safe gatherings.

WAYS TO GATHER

We will have two identical services at 8:30 and 10:30. Please consider coming to the 8:30 service so we can spread attendance out as equally as possible. We will do two live services in the worship center where we can accommodate no more than 100 people in each service. Three other venues with the livestream on the screens will be available as well: Student Center, Community Room, and the Worship Center Lobby

If you have any concerns about being here on campus, we want you to know that we will be continuing to livestream the services at www.gracebibleag.com/live. Our online ministry team led by Betsy Newell will be online with you to assist, answer questions, pray and serve you anyway that we can.

We are including in this letter some information that provides you additional details about safe gatherings and locations on our campus where you can attend a worship service. Please spread the word to your family and friends and we look forward to worshipping with you on Sunday. If you have any questions please feel free to write to us at hello@gracebibleag.com.

Learning to Live and Love Like Jesus,
