

Missionary Prayer Calendar

September 13-18, 2021

- **Mon.** **Brad & Mary Coon, Frontier Fellowship, Ipswich, MA.** Baby Peter is 5 months old. Mom and Dad are finding they need to find a place where they can spread out more. Pray for wisdom and provision as they navigate the wild housing market. Also pray for Mary as she starts classes today at Gordon-Conwell. They need to balance 2 full time jobs with parenting as Covid limits childcare options.
- **Tues.** **Sam & Jill Tabiando, Reach Global, EFCA, Madrid,** have been in the USA working out the ups & downs of joy & loss. There have been 5 births among family & friends, & many deaths. The pastor of their home church in Redondo Beach passed away in August at the same time as an aunt of Jill's. They also had word of the passing of many pastors they know in Nepal as a result of Covid. Pray for the families that are grieving their loss of loved ones.
- **Wed.** **N & J, transitioning to N. Africa.** No news on visas yet. Pray for the LORD to soon grant 2-year visas to every adult and child in their team.
- **Thur.** **Darren Johnson & Bev Denison, Local Child Evangelism Fellowship.** Good News Clubs begin the week of October 18th. Volunteers are gearing up, working on materials, contacting kids, attending training sessions, & making plans. Each Club aims to have 6 adult leaders present: Bible & verse teachers, music leader, ones who do snacks & prizes and a team coordinator. Pray for these folks to be Spirit led, to help the kids feel the love of Jesus & want to attend regularly.
- **Fri.** **Jamey & Gretchen Pappas, CRU, Cal Poly.** Classes begin Monday at Cal Poly. Tonight there is a meeting of community group leaders who will lead freshmen groups. Tomorrow CRU meets with all incoming students in-person to connect with them. Tuesday evening staff holds the first weekly meeting of CRU and students in a year! Pray these events will be a good beginning for CRU & the students being back on campus.
- **Sat.** **Carla & Dick Bartsch, Wycliffe/SIL, IN.** Pray for Dick & Carla as they both work on revising Volume 3 (the last volume) of the linguistics training manual for national translators. Also pray for Carla as she helps to develop linguistic training modules for national trainers.
