

## Missionary Prayer Calendar

November 22-27, 2021

- **Mon.** **Dale and Becky Burke, Reach Global EFCA, Carlsbad, CA** are in Egypt to introduce their pastoral training materials in Arabic. Pray for the whole Cairo team as they assist and train along with Dale and continue after he leaves. Pray for no Covid or health issues while they travel.
- **Tues.** **D & K.** Danna has contracted Dengue (Den-ghee) Fever, a mosquito borne virus. He was in the hospital for a week, is out, but not doing well. This is a serious disease & can have further complications. Pray for his strength to return and for K as she cares for D and continues her ministry.
- **Wed.** **Sam & Jill Tabiando, Reach Global EFCA, Madrid.** Mid-November, Sam hosted the All Europe Exponential Church Planting Conference & Madrid Roundtable. Pray that the participants feel God's calling to preach the Gospel & plant new churches that change people's lives.
- **Thur.** **N & J, East Africa.** Today will be their first holiday on the field. They will be missing family and friends at home, struggling with language learning, yet making new friends on the field. Pray for God's peace in the emotional ups and downs of being new on the field.  
**Thank You, our prayer partners for the GBC family of missionaries,** for your prayers during the year. May you have a blessed day thanking the LORD for His blessings to you.
- **Fri.** **Matt & Becky Kooi, Spectrum, Tijuana.** Spectrum works in 7 neighborhoods in Tijuana. The children are excited about community days & the coming of the "Cool Bus" that brings gifts of toys for Christmas. Pray that thru the toys and love shown to the boys & girls, Moms & Dads, that they will thank God for his Gift of Jesus Christ.
- **Sat.** **Carla & Dick Bartsch, SIL, Galina, IL.** Pray for Carla as she works by e-mail on linguistics training modules for national translators, especially in resolving differences.
