

Missionary Prayer Calendar

May 9-14, 2022

- **Mon.** **D & K** have just arrived back in the USA for a 6-month home visit. K has been training/preparing the leadership team and 2 student interns for months to oversee the ministry to a multitude of new believers & seekers while they are in the USA. Pray that the burden of responsibility on these team members will redound in their own leadership skills & in the spiritual growth of those to whom they minister.
- **Tues.** **Brad & Mary Coon, Frontier Fellowship, Ipswich, MA.** Pray for Sudan. The military is using violence against Sudanese citizens as a means of control, including unspeakable abuse against women. There is high inflation amid ongoing food shortages. Pray that the Good News of Jesus would offer a bright and clear path to peace.
- **Wed.** **Jo Shetler, Wycliffe, NC,** is moving forward with plans to lead a face-to-face training in the DRC and in South Sudan next March, then, a 4-day training in Thailand at the end of next April. Pray for wisdom in decisions and planning.
- **Thur.** **Brad & Hannah Smith, Communitas, Richmond.** Today, Brad goes to Portland, Oregon, to lead music and speak at a men's conference. He is looking forward to making new connections with a new church group. This is especially important because former ministries have been overseas, & new connections are needed in this country.
- **Fri.** **Gary & Robyn Peterson, Wycliffe,** have been back in the USA since April 15th, visiting family & unwinding from the pressures of an international move. Gary hurt his back during travel, so is doing long walks & running to relieve the pain. They are also experiencing jet lag. Pray for Gary's healing, good sleep & learning how God wants to use them in Wycliffe ministry in Orlando.
- **Sat.** Pray for **N & J** to continue to make spiritual connections they have initiated with friends & neighbors during Ramadan.
