

# Missionary Prayer Calendar

June 20-25 2022

- **Mon. Darren Johnson, Bev Denison, Josh Estrada, Local Child Evangelism Fellowship.** Camp Good News begins today at Lake Lopez. Pray for the children to enjoy the excitement of camp and to be able to focus on the Gospel teaching. Ask the LORD for good weather, not too hot, safety for children and staff, and many lifelong decisions to be made.
- **Tues. Matt & Becky Kooi, Spectrum, Tijuana, Mexico.** Spectrum staff have worked in the dump ministry for a decade building relationships and trust with those who wander thru the dump seeking anything of value they can use or sell. Staff distributes sandwiches, fruit & snacks to the poor, drug users and sellers, those involved in prostitution & witchcraft. Pray for Spectrum's mission to these people, that thru kindness, care, help, the Gospel message, they will one day put their trust in Jesus.
- **Wed. Dick & Carla Bartsch, SIL, Galina, IL** Pray for Carla to have wisdom as she puts together principles of teaching linguistic methods of translation for a book being written. Also pray for both of them as they prepare materials for an OT Workshop coming up soon.
- **Thur. Ron & Dorie Smith, Global Sharing (GS), Atlanta.** GS supports ministries in Costa Rica, India, Indonesia, Philippines, Thailand, and the USA with finances, prayer support & encouragement. In the Name of Christ, these ministries help widows, orphans, a medical clinic, mission schools, church planters, and individuals who have been trafficked. Pray for the needs of these ministries to be met.
- **Fri. Nicole Kyker, Athletes InterVarsity (AIV), Cal Poly,** will be taking on coaching the AIV ministries at USC & Occidental College during the summer. Pray Nicole's transition as staff leaves at these institutions and Nicole takes on a virtual coaching role.
- **Sat. N & J.** Pray for the family as they settle into a new venue for 2 months. Their field ministry is too hot to endure during the summer months due to desert heat, frequent electrical outages, and a scarcity of water.
