

## Missionary Prayer Calendar

June 27-July 2, 2022

- ❑ **Mon. Nicole Kyker, Athlete InterVarsity (AIV), Cal Poly.** Nicole, accompanied by a team of regional leaders, is in Bosnia to meet with ministry partners to investigate the possibility of a summer AIV program with local Bosnian colleagues & pastors. Pray that good connections will be made.
- ❑ **Tues. Darren Johnson, Local Child Evangelism Fellowship.** Last week was the 1<sup>st</sup> week of Camp Good News. Just days before it began, 4 counselors came down with Covid leaving Camp administrators scrambling to replace the sick counselors. Pray the children & staff will stay healthy and free of Covid this week and next.
- ❑ **Wed. Spectrum.** The work in Tijuana is in transition as former Director of Ministry, Matt Kooi & wife Becky, have returned to Michigan to work in urban ministry. Pray for Interim Director, Eddie Passmore, working with staff & the Spectrum Board as they seek a new Director.
- ❑ **Thur. Ron & Dorie Smith, Global Sharing (GS), Atlanta.** GS is working with Ukrainians who are coordinating with a church in Chernivtsi, Ukraine, which has been transformed into a refugee reception & distribution center. Refugees have returned from Romania & Poland to help deliver food & water to friends & family in their hometowns, risking dangerous travel to also provide for others in devastated areas. Pray for these believers who work thru their own exhaustion & privation to share with the needy in their country.
- ❑ **Fri. & Sat. Missionary Story: How N & J Keep the Family Clean in the Desert** 1. Fill a bucket with water. 2. Pour water in a large plastic tub for the kids. 3. Fill another bucket with rinse water. 4. Heat more water on the stove & in the electric kettle. 5. Add the hot water to the tub & rinse bucket. 6. Put one child in the tub & wash with normal soap & shampoo. 7. Rinse that child with a special pouring cup with a handle. 8. Do the same with the next child in the tub. 9. Next, an adult stands on a 3x3 porcelain base next to the plastic tub & uses that soapy water to wash & rinse. 10. He/she does final rinse with clean water from bucket. 11. Then the 2<sup>nd</sup> adult repeats the process. 12. To conserve water, they take remaining soapy tub water & pour it into washing machine to do laundry! 12. Then they let go of traditional idea of daily bath! Pray for N & J as they bring the Good News to desert people.
