

Missionary Prayer Calendar

September 19-24, 2022

- ☐ **Mon. Ron & Gayle Miller, International Students, Inc. (ISI), Cal Poly.** Yesterday there was an event at Cal Poly when all the clubs converged to inform students of the campus club opportunities. It was the biggest chance for ISI to meet international students on campus to represent the International Student Friendship Club (ISFC). Pray that those who stopped at the ISFC booth will remember the folks they met & be drawn to joining their fellowship.
- ☐ **Tues. N & J** have arrived back on the field after 5 flights to reach their destination. Pray for their settling back into their living quarters with the host family, re-immersion into the culture & language, & adjustment to role changes in their humanitarian aid organization.
- ☐ **Wed. Ron & Dori Smith, Global Sharing, Atlanta.** The best possible news from Malawi: What was once a fledging Disciple Making Movement (DMM) only a few years ago, is blossoming into a significant work where entire villages are transformed! Pray for God to continue to open hearts responsive in faith to the hearing of the Gospel among villagers who are young & old, literate & illiterate, rich & poor.
- ☐ **Thur. Jim & Debbie Samland, CRU, Faculty Commons, Miami University, Oxford, Ohio.** They were invited to kick off the semester at the CRU student group at a regional campus of Miami U., asking students to follow a worldview flow chart to see which worldview they followed, then a spiritual conversation followed. Pray for fruit in the follow-up on those who completed the survey.
- ☐ **Fri. Chris & Carolin Jackson, Wycliffe, Alat, Cameroon.** While on a visit to Switzerland, they met with the author of the literacy curriculum they have been working on. The visit encouraged them to continue on the pre-reading lessons for the Fulfulde literacy program. Pray for favor with government & education authorities when they meet with them to explain the program, and safety on treacherous roads in trips to/from the villages to launch the literacy program.
- ☐ **Sat. Garrett & Lisa DeBlauw, Reach Global EFCA, Lyon France.** Pray for Garrett as he works with the Persian community in Lyon to re-establish the relational intimacy damaged by the 3 Covid confinements. Also pray for him & a team from his church who will be visiting Turkey tomorrow to connect with Persian Church leaders & members.
