

Missionary Prayer Calendar

November 21-26, 2022

- ❑ **Mon. Jim & Debbie Samland, CRU, Faculty Commons, Miami University, Ohio.** Because they spent decades in Eastern Europe in CRU university venues, they are very interested & connected to be able to start a Faculty Commons ministry in Albania Universities. Pray the LORD will provide professors who will want to go with them to Albania in the spring of 2023 to lay the groundwork for a Faculty Commons ministry there.
- ❑ **Tues. Becca Ashton, CRU, Hungary, International Christian School of Budapest (ICSB).** In her responsibility to recruit staff for ICSB, Becca has an immediate need to find an elementary music teacher. Pray God will lead her to the right places to secure just the right person.
- ❑ **Wed. Chris & Carolin Jackson, Wycliffe, Cameroon.** Recently in a community where they serve, the water pump malfunctioned. Chris was able to search the internet to find a diagram of the pump and discern the problem. He got the necessary parts & asked several men in the community to work with him to fix the pump. Now the men in the community will be able to maintain the pump. PTL for a testimony of the love of Christ in the community beyond a pre-school literacy program!
- ❑ **Thur. O give thanks to the LORD, call upon His Name; make known His deeds among the peoples.** Thank you for your prayers on behalf of our family of missionaries and thank Him for those who make His Name known among the nations.
- ❑ **Fri. Jo Shetler, Wycliffe, NC.** Jo's double vision problem is almost gone, test results are good, and she has been cleared to drive. Today she sees the cardiologist concerning erratic blood pressure. Pray for continued healing.
- ❑ **Sat. Garrett & Lisa DeBlauw, Reach Global EFCA, Lyon, France.** For months, Garrett & Lisa have been reflecting on their 7 years of ministry in Lyon & feeling release from this ministry. They have consulted with Reach Global & are planning a transition out of Lyon in the new year. Pray for God's leading in decisions & unknowns in the transition.
